

SAFE, STURDY & ERGONOMIC DESIGN

- The Autolift™ system from Hillrom helps reduce the risk of entrapment and overturning. With a simple push, the table top lifts and moves securely into place.
- The H and U-shaped base deliver maximum stability and are compatible in all care environments.
 - H-shaped design features a reduced width front wheelbase.
 - U-shaped design is ideal for use with a variety of chairs.
- Locking dual-directional tilted table top provides an ideal reading position.
- Plastic tray is designed for easy cleaning and water retention from glass spills.
